

ACWA 2017 Regulatory Summit Presentations

ACWA's 2017 Regulatory Summit was held on Oct. 17, 2017. This one-day summit provided information about new requirements to "reduce water supplier leaks and water losses." Presentations from this event are available for purchase at member (\$50) and non-member rates (\$125).

The following presentations are included with your purchase:

- **What's up with the Regulations?** - Diana Brooks, California Department of Water Resources
- **Water Loss Audits were due Oct. 1: Submit or wait for the Regulations?** - Tim Worley, AWWA CA-NV Section
- **What to do about recycled water systems?** - Ed Osann, Natural Resources Defense Council
- **What About Recycled Water and Water Loss?** - Fiona Sanchez, Irvine Ranch Water District
- **Why are we doing this again?** - Jim Peifer, City of Sacramento
- **TAP debriefing: How did the training go and what do we know about the audits?** - Sue Mosburg, Sweetwater Authority and Reinhard Sturm, Water Systems Optimization, Inc.
- **Water Loss Reduction - What kind of results might be expected?** - Steve Cavanaugh, Cavanaugh & Associates
- **Water Audit Validation Certificate** - Sofia Marcus, Los Angeles Department of Water and Power
- **The Largest Water Loss Technical Assistance Program in the Nation: The California Water Loss Control Collaborative** - Sue Mosburg, Sweetwater Authority
- **Putting Water Loss in Context** - Mary Ann Dickinson, Alliance for Water Efficiency and California Water Efficiency Partnership
- **New Regulatory Requirements for Water Loss Control: A Cause for Concern?** - Max Gomberg, State Water Resources Control Board
- **Water Loss Control in LA: An Overview of LADWP's Water Loss Audit and Water Loss Task Force** - Sofia Marcia, Los Angeles Department of Water and Power
- **Driving Down Water Loss Through Innovation** - Richard Harris, East Bay Municipal Utilities District
- **OC Water Loss Control Program** - Joseph Berg, Municipal Water District of Orange County
- **Water Technology Alliance** - Pia Jacobsen, U.S. Ministry of Foreign Affairs of Denmark
- **Drinking Water Technical Assistance** - Brian Kinney, State Water Resources Control Board
- **DWR Grant and Loan Programs** - Keith Wallace, California Department of Water Resources
