AR-6.6 John P. Fraser Emissary Award

6.6.1 Description

The John P. Fraser Emissary Award recognizes individual ACWA member volunteers who have advanced the Association's mission and goals through their direct involvement and who demonstrate the following:

- Leadership in the course of service on Association committees
- Advocacy/outreach at local, state, and/or federal levels
- Commitment of time and expertise for the benefit of an Association program or issue

6.6.2 Criteria

All nominees should exemplify the Association's primary mission of assisting in promoting the development, management, and reasonable beneficial use of water in an environmentally balanced manner. Efforts must be made tangible and clearly identifiable.

6.6.3 Selection/Presentation

The John P. Fraser Emissary Award Selection Committee includes the President and the Chairs (or their designees) of relevant Committees. If a judge is affiliated with the nominating agency or member agency that applied for the award, they will be recused, and an alternate will be chosen. The award will be presented at an ACWA Conference & Expo.
