

The Climate Registry

WATER ENERGY **NEXUS** **REGISTRY**

Water-Energy Nexus Registry Update **Association of California Water Agencies**

Thursday, March 7, 2019

The Climate Registry

The Climate Registry

- **Designs, builds, and operates greenhouse gas (GHG) reporting programs and registries**
- **Operates only government-endorsed voluntary GHG reporting program in North America**
- **Provides resources & services to help organizations measure, report, and verify the GHGs in their operations**

The Climate Registry

WATER ENERGY NEXUS REGISTRY

Born out of California's SB 1425, Pavley

A voluntary GHG reporting program to:

- *Build capacity* for calculating carbon footprints in the water sector
- Document entity-wide emissions baselines and reductions over time
- Recognize leadership in GHG emissions reductions
- Inform decisions through good data

The Climate Registry

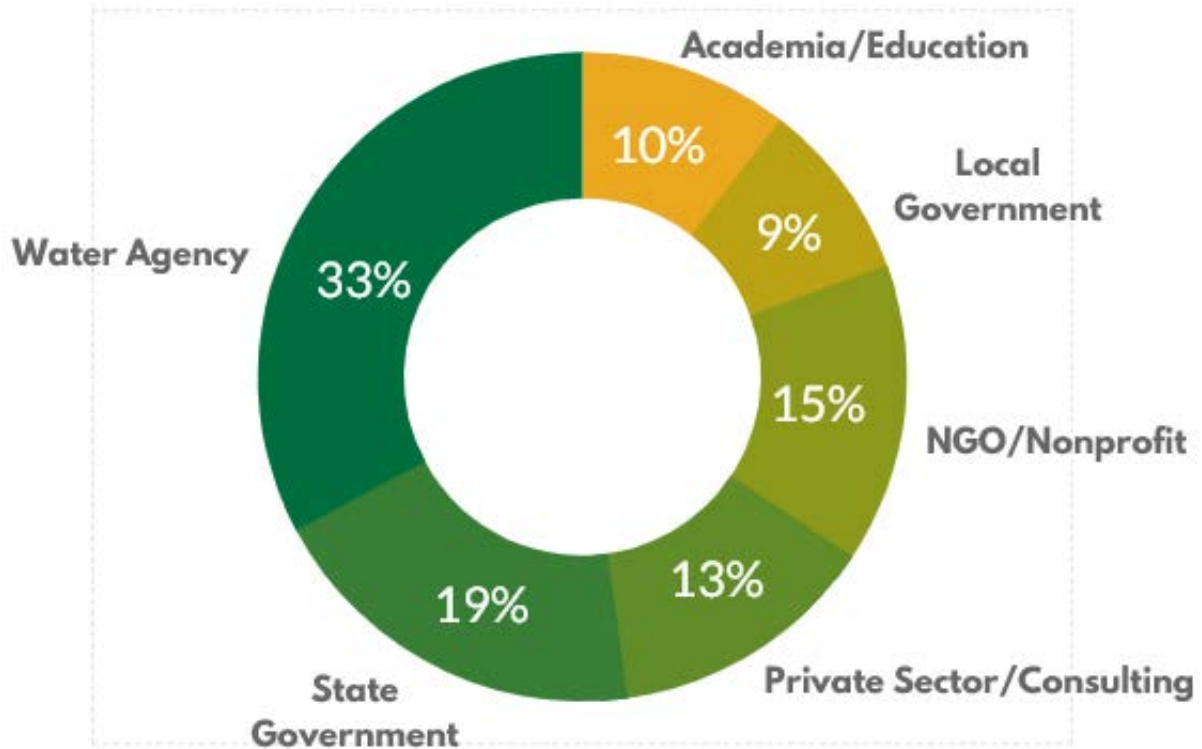

WEN Registry Development Timeline

August 30, 2018 	Webinar	Joint Working Group and Advisory Committee Kick-off call: overview of gap analysis, draft protocols & guidance

The Climate Registry

Stakeholder Representation

The Climate Registry

Program Components

- GHG and water data reporting guidance
- Custom-built online reporting tool
- Recognition program
- Custom trainings
- Specialized help desk support

The Climate Registry

WEN Registry Guidance

**General Reporting
Protocol Modules**

**Water-Energy
Nexus Registry
Module**

**Guidance
Modules**

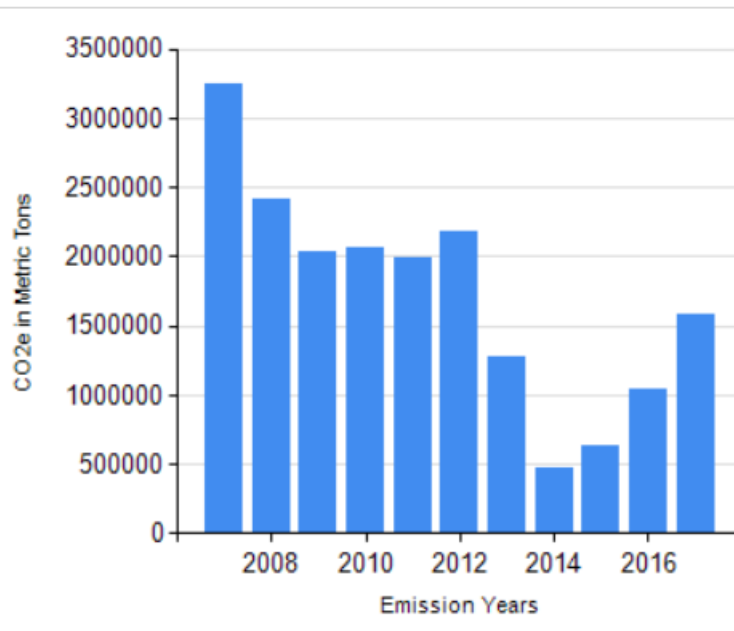

The Climate Registry

Online Reporting Tool

- Report and benchmark data
- Track emissions over time

- Verify and disclose data

The Climate Registry

Recognition Program

- Multiple award tiers and benefits for meeting criteria
- Will have own brand for participants to use
- Brand name chosen through results of survey
- Launching on **May 13, 2019**

The Climate Registry

WEN Registry Founders

- Inviting select organizations to become founders
- Benefits
 - VIP status at launch
 - Brand visibility
 - Media and communications opportunities
 - Access to Special Events
 - Mentor Status
- No cost to participate
