ACWA 2025 SPRING CONFERENCE & EXPO

MONTEREY, CA

Join water industry professionals at ACWA's premier spring event to explore strategies for a resilient water future, wildfire response, infrastructure planning, and more. Discover innovative water agency projects and attend NEW Lunch & Learn sessions on asset management, financial forecasting, and industry excellence. Earn continuing education credits and connect with peers in a vibrant exhibit hall. Online registration is now closed, but onsite registration will be available May 13-15.

Speaker Highlights

- **Katherine Zitsch**, President of the National Water Supply Alliance, shares lessons from the Southeast and California on managing complex water challenges.
- **Justin Wren**, MMA fighter, humanitarian, and founder of Fight For The Forgotten, shares his inspiring journey of resilience and purpose.
- **Dan Keppen**, Executive Director of the Family Farm Alliance, reflects on decades of advocacy and the future of irrigated agriculture as he prepares for retirement.
