

Eric Larrabee
Western Canal Water District
ACWA Region 2

It has been an honor to serve on the Association of California Water Agencies (ACWA) Board of Directors representing Region 2 for the past 19 years. I currently serve on the Executive Committee, the Finance Committee since 2014, and the Agricultural Committee since 2018, in addition to my role as Chair of Region 2. My recent service includes participation in the Election Process Task Force (2022), the Board Executive Committee Work Group on Employee Compensation and Benefits, and the investment and revenue subcommittees.

As a Director for Western Canal Water District, I lead the Finance Committee and serve as the District's liaison to ACWA JPIA. I am especially proud of Region 2's contributions to ACWA, helping elevate the voice of multi-benefit water management—supporting agriculture, the environment, and urban communities alike. Our work also includes advancing awareness for wildfire resilience and championing new infrastructure development, including Sites Reservoir and the Shasta Raise to meet current and future water needs.
