

Floyd E. Wicks, Montecito Water District Board Director

Director Wicks joined the Montecito Water District Board in December of 2016.

Director Wicks's professional career spans over 40 years in the water industry. He holds a Bachelor's degree in Civil Engineering, a Master's Degree in Water Resources Engineering, and is a registered Professional Engineer in California, Ohio and Pennsylvania.

Director Wicks was formerly Vice Chairman of American States Water Company (NYSE: AWR) and former President & Chief Executive Officer, which he held from 1992 through 2008. Mr. Wick's notable past accomplishments include:

- President and Board Director for the National Association of Water Companies (NAWC)
- Board Trustee for the American Water Works Association Research Foundation
- Advisory Committee member to President Clinton's Commission on Critical Infrastructure Protection
- Co-Chairman of the Southern California Leadership Council for 2008 and principal on its Water Task Force Committee
- Board Director for the California Chamber of Commerce
- Board Director for the non-profit organization Water for People, dedicated to improving sustainable drinking water, sanitation and hygiene for impoverished people worldwide
- Advocate for the Paul Simon Water for the Poor Act of 2005 and its subsequent \$300 million funding in 2008 by the United States Congress
