Kevin Phillips – Candidate for ACWA Region Leadership

I am honored to currently serve as the District Manager of Paradise Irrigation District, where I lead efforts to strengthen our community's water system, including overseeing recovery and rebuilding efforts following the devastating Camp Fire. With over 20 years of experience in public administration and nearly two decades of involvement in water issues, I've dedicated my career to supporting resilient, sustainable water systems.

I currently serve as an ACWA Region 2 Board Member and proudly participate on the ACWA Finance Committee, Local Government Committee, and Membership Committee. These roles have allowed me to contribute directly to advancing the interests of member agencies and shaping statewide water policy.

In addition, I serve as a Board Member and Treasurer of the Durham Irrigation District, a position I've held since 2015. My prior experience also includes serving as Director of Member Outreach for ACWA JPIA, where I worked closely with agencies across the state to strengthen engagement, collaboration, and support.

I hold a CPA license and a Bachelor of Science in Business Administration from Cal Poly San Luis Obispo, with concentrations in Accounting and Finance. I'm passionate about serving the water community and bringing forward-focused, solutions-based leadership to ACWA. I would be honored to continue contributing as a Region leader.

Thank you for your consideration.

Sincerely,

Kevin Phillips, CPA
